EXPERIENCE

Svitla Systems (for Storied)

August 2024 - Present

Senior Frontend Developer

Promoted from Middle Frontend Developer in January 2025.

- Contributed to modernizing frontend architecture with Next.js while protecting product quality and delivery pace.
- Implemented Figma-driven interfaces and collaborated across product, QA, and backend to keep release quality high.
- Improved developer experience with internal tooling and reusable frontend patterns.

SupportYourApp

August 2023 - August 2024

Technical Support Consultant

- Maintained an average customer satisfaction score of 95% across support work.
- Resolved product issues through a mix of debugging, customer communication, and practical HTML, CSS, and JavaScript fixes.

Freelance

March 2022 - Present

Frontend React Developer

- Delivered production sites and app experiences across hospitality, services, and real estate use cases.
- Handled the full loop from client requirements and UX decisions to implementation and iteration.
